

Voki is an educational tool that allows users to create their very own talking character. Characters can be customized to look like historical figures, cartoons, animals, and even yourself! You can give a Voki character a voice by recording with a microphone, using a dial-in number, or uploading an audio file.

Welcome to the **Voki** training session!

Our LEARNING OBJECTIVES:

By the end of the session you should be able to:

- Register for a Voki account
- Create a Voki character.
- Share your Voki character.

1. Go to **www.voki.com**
2. Click the **Register** button

3. Enter your information: first name, last name, email, and your birthday.
4. Accept the Terms of Use
5. Click on **SIGN UP**

Interested in our advanced products?

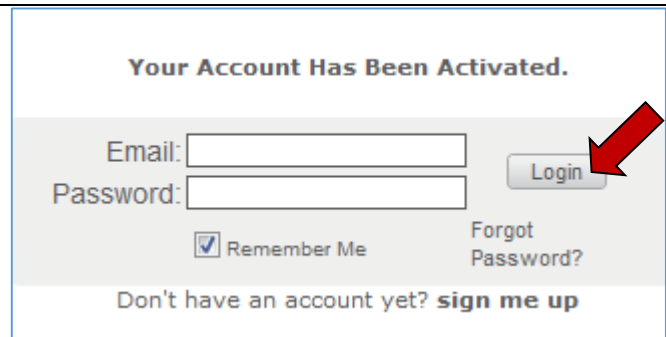

6. Click on **Close** and check your email for a confirmation message from notifications@voki.com to complete your registration.

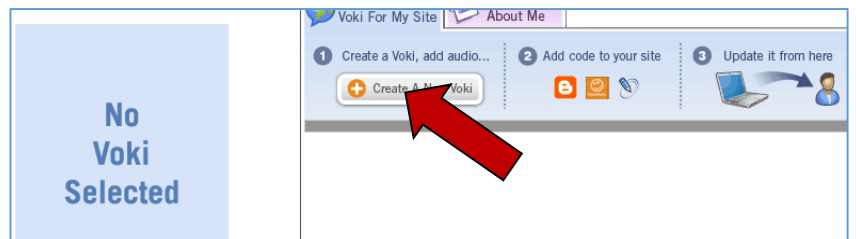

7. In the email you received, click on the activation link.

8. Enter your information to log on.

9. Click on **Login**

10. Click the **Create** button

11. Customize your character by dressing them up in different outfits, hair styles, and bling.

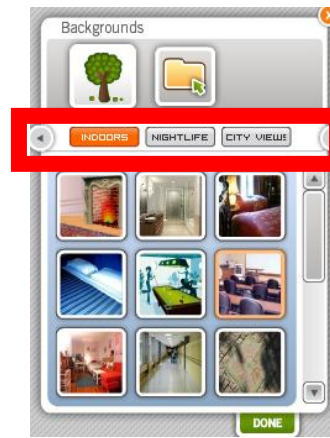

12. Add your voice to the Voki by choosing one of the following options:

- Record with a microphone
- Use your dial-in number
- Text- to-speech
- Upload and audio file

13. Choose a background.

14. Publish your Voki. You can embed your Voki to any web page, share it on social media sites, or email it to a friend.

Congratulations! You've made a Voki!
